## Trisha

### Dear HAWK,

I'm probably not the world's biggest pervert, but I gotta say I practically wore my penis down to a nub (and I'm quite niftily endowed, if I do say so myself) while flipping through the shots of Trisha getting balled by that guy. She's truly a perfect physical specimen, with the blonde hair, gorgeous face, beautiful medium-sized breasts, shaved pussy, round ass, wrap-around legs—seriously, do I have to go on?

Most shocking is that this guy actually scored with this babe. I mean, in my opinion, no man is good enough to get that lucky. But no, the fuckin' bastard gets to lick her snatch, stick his prick in her cunt and mouth and even blow a load. What's he got that the rest of us don't? Seriously, I don't get it. She's too perfect for any man?

I'm also wondering how she got that body. Is it nature? Does she work out like all day every day? Or is it because she has sex constantly and it keeps her in prime condition? I think we at least deserve to know the answer to that question.

**Adrian****Hill Valley, CA**

### Dear Adrian,

Teenage girls just come like that. She has the worst diet imaginable, super-sizing everything, double and triple desserts, gobbling candy constantly—but she's 18 and is a work of pure perfection, so who are we to suggest dietary changes? You're sure right about that guy, he's about the luckiest guy in the whole world. You, however, might want to see a doctor about your nub. While we encourage masturbation, we also believe that we should be safe about it! We want you to be able to enjoy the girls in this issue, too!

### Dear HAWK,

Oh, I've seen Charlotte Stokely before. Yes, I've jerked off to her movies many times, fantasizing about titty-fucking those perky mams and maybe even blowing a load or two on that tramp-stamp she has tattooed across her lower back.

And now I'm doing it again. Yep, you stuck her in the centerfold and I did everything but rip a hole in the issue and fuck the damn magazine. I know they say she's like the princess of alt-porn (wow, a category for girls

**Carmella, Stephanie  
& Brynn**

with tattoos! Who was the genius behind that?!), but she could be the princess of nothing for all I care and I'd still want to be putting my pecker between her legs and screwing her until she had enough.

And you know where I'd do this screwing of Charlotte? Right there in the kitchen. Sure, she fancies herself some sort of rebel what with the tattoos and landing-strip muff and "alternative" movies, but in my house the chick still needs to bang three things in the kitchen: pots, pans, and pecker!

**Larold**  
Canvas City, NV

*Dear Larold,*  
*What we want to know is, are you going to have her cooking or fucking first? While a man needs his energy, eating can also make a guy lethargic and thus decrease the intensity of the sex. So many questions, so many ways to get answers! We say you find another doll and try these experiments on her and get back to us. HAWK's readers will want to know!*

**Dear Carmella and Stephanie  
and Brynn,**

I see in the HAWK magazine that you do threesomes and my homies and me was wondering if you might not mind taking a few street-boys on. You know what it's like to have dick deep in you cum?

We like that you suck each other's titties and then put the plunge to each other with strap-ons. That's real dope. Doing that double-headed purple dildo right into Carmella and Brynn at the same time! Oh my! My brothers and I about spread our seeds right there. Why don't

you come see us and we'll see if you girls don't even have more fun.

**Clarence**  
Bayside, NY

*Dear Clarence,*  
*We passed on your note to the ladies and we hope for your sake that they take you up on your offer! And if they do, we certainly expect HAWK photographers will be allowed to come document the beautiful scene. Where that incredible trio goes, everyone follows!*

**Dear HAWK,**

What is it with today's teenage girls? They get tattoos and have giant tits and run around naked on patios. I'll say this much, no one got away with that kind of tomfoolery in my day! A naked girl on a patio, porch, or even veranda would have been immediately ordered back inside and instructed to put on proper ladylike attire.

Aren't we all glad times have changed. Now a lovely Latina (I assume she's Latina, and apologize if I'm wrong and I offend the sweet thing) can ink up her flesh, wear sexy clothing and shorts (rather than the bulky pantaloons of my era; my goodness they were a hassle!). And the panties—you didn't see underwear like that in the catalogs with their hundreds and hundreds of pages. Heck, they'd have probably been put away or worse for underclothes that nice!

I love that society has advanced to where a sexual gal like Paige can express herself freely, and guys like us can not just observe, we can practically participate.

I know when I saw Paige's clothes disappear I felt like it was happening just for me. The red-and-yellow horizontal-striped tank top, the white shorts, then the light-blue panties, she took it all off, and she took it all off for me. I love this country, and that I lived long enough to see it advance in ways unimaginable when I was still .Paige's age.

**Jicol**  
Aminy Island, WA

*Dear Jicol,*  
*May we first tell you what a wonderful name you have? None of us had ever heard it before and we decided that it made us think of great art. Very interesting.*

*Now on to more important issues. Weren't those catalogs the best? They may have actually been the inspiration for this magazine, that undergarment section brought to life by delicious teens!*

*Paige most certainly is Latina, and proud of it. She's also five-feet and four-inches, measures up at 34D-25-35, and is one of the cutest, sweetest girls you'll ever meet in person. There wasn't a guy in this office who didn't make a play for her. With your generations of experience, you no doubt could teach her a thing or two. Or maybe you'd be doing the learning? Either way, you win!*

**Paige**

# Michelle

**M**ichelle Honeywell is one honeywell we'd all love to dip our wicks into! She's an adorable 18-year-old who loves to play panty-games, like pulling on 'em, sniffin' and chewin' 'em. Once those cotton cuties are off, Michelle loves to let her fingers dive into her own honeypot and let the sensations rip! Hey Michelle, we'd love to experience those sensations right along with you!

# Georgia

One of the hottest, young foxes anywhere is the 18-year-old brunette named Georgia. She loves to hang out by the water, her occasional dips make her young pussy all tingly and fresh. When nobody's looking, Georgia pulls out her blue-and-white striped vibrator for some extra tingles. Georgia, we would love to let you put that damn thing away for good, and use our cocks as sex toys to satisfy your delicious slot!

# Katerina

The lovely, young Katerina Kat is having some work done on her new house. Naturally, after about five minutes, Dane needs some "inspiration" to keep going, so kinky Katerina sucks his hard-working pecker, and once it's good and stiff, she starts up the ladder, and arches her butt out for some doggie style penetration. With a young body built for pleasure, Katerina takes her pal through a variety of fuck-happy positions. Needless to say, the work on the house never did get done!

# AMATEUR DISTRICT PRESENTS ABSOLUTE ASSES

Story By Acme Andersson

## DASANI LEZIAN

Hometown: Hollywood, FL

Height: 5' 2"

Weight: 110

**Fun fact:** Enforces a clothing-optional policy at home

**Dude:** Jordan Ashley

Jordan catches a gander of Dasani as she's relaxing poolside in her backyard. It's a hot day in FLA and the fence grants her some privacy, but it doesn't stop peeping Jordan from propping up on his tiptoes to check her out. She's topless and oiled up, shining in the sun, yet when he knocks, she's quick to answer. While she covers her tits with her hands, it's a futile effort and she unleashes them to hug him hello. Then he covers her with more oil and, well, it isn't long before she's naked, fingering herself and he's got his pecker in her pretty, little mouth.

When Jordan sits himself on the edge of the pool, Dasani climbs out of the water and mounts herself right on top of him, her hairless snatch slowly lowering onto him with an enthusiastic squeal. She goes to town with the up-and-downs, his big dick fitting perfectly in her little hole.

She turns around and rides him some more and her volume gets so out of control that even Jordan has to shush her. That works for a while, but what never stops working is her riding his cock, and she squirms around and takes his rod in a variety of directions, riding him hard. "You're driving me crazy!" she tells him. "You're making me cum with that big cock!"

She looks damn good bent over a lawn chair, and apparently it feels pretty damn good, too, because she cums loudly and then Jordan pulls out

**W**ho doesn't love the ass of a sweet, young girl? And what better place to see them up close than in the warmth of Florida! From what we have seen, the Sunshine State is absolutely packed with hot teen poontang that is just itching for love.

The gals in *Absolute Asses* are exactly what we're talking about. Here we see sweet things in a wide variety—big-titted blondes, slender brunettes, a fuller-figured Latina—and all are horned up and ready, eager to suck cock and have their pussies pleased with some great big man-meat.

This is also an excellent opportunity for guys to see just how to go about picking up hot chicks. Hell, it looks as simple as just asking them, but there may be some nuances that aren't immediately obvious. Or you can just enjoy the hot sex with the teenage girls. They just make the porn, it's up to you to enjoy it in your own way!

**Traci Lynn: the perfect blow-job teen!**

**DASANI**

**TRACI**

**BRIANNA**

**LEAH & MCKENZIE**

Riley Evans has a beautiful face and boob-rack for a movie called *Absolute Asses*! And her co-stars are multi-taskers, too: Dasani Lezian, Traci Lynn, Brianna Beach, and the huggable duo Leah Wilde and McKenzie Miles!

and shoots big waves of his splooge onto her pretty face. Nothing a dip in the pool can't rinse off.

### **RILEY EVANS**

*Hometown: Tampa, FL*

*Height: 5' 6"*

*Weight: 111*

*Fun fact: Her third scene ever!*

*Dude: Mike*

Holy cats, man, are those tits real?! The answer is yes. Guys, these are quite possibly the prototype for breastular perfection. They are big, soft but firm, bounce gently with nipples that pop. She is truly, truly blessed, as are we just for the opportunity to take a gander at those gams. And that's not all we see.

While her tits may be her most visible asset, there isn't an inch of this gorgeous blonde that is less than spectacular. She's generous, too, eagerly sucking Mike's cock before bending over and letting him slip inside her shaved spot. "Fuck me hard," the loud and endowed one tells him, one hand reaching back and alternately fondling his balls and playing with her clit. "It feels so good!"

She gets on top and rides him like an experienced rodeo pro, his long shaft squeezing nicely into her puffy hole. Then they take a break from the penetration and examine her beautiful pussy. She spreads it open then Mike thumbs the ridges and her clit as she moans and squeezes her tits.

Teased enough, she insists he fuck her again. She spreads her legs and he divides her little canyon with his cock, pounding relentlessly. It's successful, and soon she tells him she's going to cum. Her breath quickens, her face contorts and then Mike squirts out his own on her tits, which she takes with an exhausted smile.

### **BRIANNA BEACH**

*Hometown: Wilton, FL*

*Height: 5' 7"*

*Weight: 118*

*Fun fact: Trained massage therapist*

*Dude: Jordan*

We've all heard of ladies picking up on the poolboy. Well this time, it's Jordan putting the make on the poolgirl. And for good reason, because Brianna is the cutest girl in the chlorine industry.

**Dasani looks very  
refreshing as her  
pussy lubes  
Jordan's joint!**

First he talks her into doing her job in her bikini and before you know it, she's cleaning his cock with her mouth.

Still, she's slightly hesitant at first, especially with the camera on, but that all disappears the moment the head of his cock slides between the flaps of her young cunt. Just listen to this rant: "Give me that cock, yeah! Oh, fuck yeah! You want that fucking pussy, huh? Do you like that pussy? Fuck yeah, fuck that pussy, fuck me like a nasty bitch, fuck that pussy! Harder!" And that's only the beginning! Men across the country will be installing pools this summer

She shows no less enthusiasm when she gets on top and rides his cock. She's as bouncy as she is wild, writhing, moaning, rubbing, showing an energy level that is a treat all too rare. He fucks her missionary as she diddles her clit and tells him how bad she wants him to cum. He pumps furiously, finally pulling out and moving up over her face, sending squirts of white lightning across her pretty mug. She asks the cameraman if he's next and immediately the screen goes black. We'll take that as a yes

Brianna Beach looks like a peach as she gets drilled doggie!

Leah and McKenzie share and share alike!

## LEAH WILDE

Hometown: Boston

Height: 5' 6"

Weight: 120

Fun fact: College freshman

Dude: Jordan

## MCKENZEE MILES

Homestate: Maryland

Height: 5' 4"

Weight: 110

Fun fact: Likes to wear go-go boots

Dude: Jordan

Leah and McKenzie are a couple of beach bunnies who love to fuck like rabbits. They kiss and fondle each other right there on the beach, then head back to the hotel pool where they finger each other in the water. That's fun and all, but it is daylight and everyone decides it's time to head back to the privacy of the room.

The girls play on the bed, each undressing the other and then going down on each other and pulling out some sex toys. Jordan gets in on the action, licking a pussy here and there, then his cock comes out and McKenzie's mouth goes over to it like a big magnet. She gobbles while Leah continues to work her with a vibrator. Being friends, they share well, and

each gets her gobbling in, soon to be followed by some snatch-stuffing.

While Leah rides his dick, she keeps her face in McKenzie's crotch, licking her hole. When they trade places, McKenzie does the same. Jordan keeps his cool, taking his time, going from one tight teen hole to another. These sexy students give it their college best, and both score multiple orgasms on these exams.

They do well on the cum-blast test, too, each getting her fair share as they caress each other and make out one last time.

## TRACI LYNN

Homestate: Georgia

Height: 5' 4"

Weight: 120

Motto: Pump first then pay

Dude: Mike

Mike needs to fill up on petrol and it seems Traci's doing the same thing. It's not going to take much to get more exciting than that, nor is it going to take long. They flirt and get downright forward and when Mike asks her if she wants to come over and hang out, she eventually says yes. Apparently gas stations are the new grocery stores.

Not unlike Riley earlier, Traci has

ridiculously fine tits and a body that matches. Oh, and she knows how to use it! First she uses her mouth, expertly, it should be pointed out, long dong disappearing into her lovely lips as her blue eyes look seductively into the camera. Next she uses her girlhole, getting up reverse cowgirl, her sweet rack bouncing nicely and her most attractive gash gobbling his dong as she takes long up-and-down strokes. "Oh, I love your fucking cock," she tells him as her body is bent over backwards so it hits just the right spot. "Oh, shit, fuck me just like that! Oh, that's some good fuckin' cock!"

Staying on top, she bends forward, her body showing off a limberness that the young have naturally, and anyone over 22 has to spend years doing yoga to attain. When he rams her missionary style, she is able to effortlessly pull her ankles back to her knees, which means her pussy-hole pops out slightly for excellent penetrative access. It's her most orgasmic position, and apparently Mike's, too. He sends white spurt-spots all over her face and tits and then she heads off to clean up.

# Jana & Sabrina

**G**orgeous blonde sex kitten Jana Jordan is having a play-date with the sensual Sabrina Star. Ah, look how cute. Jana's got pink panties with blue trim, and Sabrina's got it the other way around. Thankfully, those pussy-aroma panties soon come off, and the girls are licking away at each other's heavenly hole! The day's in full flux as teen wildos plunge into those juicy snatches. We know it's useless to ask, but please girls, we're chompin' at the bit to join the frisky fun!

# Mai Ly

**T**his exotic minx is Mai Ly, and she is of unknown origins. "Both my parents came from all over the world, so I don't know what the hell I am . . . but I know that I have big titties!" That's something we can all agree on. When Mai wraps those meaty boobs around a high, hard one, it stays hard! And she can suck the head each time on the upstroke! This may be the September issue of HAWK, but it's definitely the month of Mai!
